Dear Sir/Madam,

Greetings from Axis Mutual Fund!!

The banking sector is considered to be the backbone for any country's economic progress. As an economy progresses, banks must also grow and adapt to support the growing consumer and corporate demands in a growing economy. India's Banking sector is on the cusp of entering a phase of high growth led by an increased demand in banking services.

Axis Banking ETF is our new offering on the passive platform which will invest in stocks in the same proportion as the underlying index, NIFTY Bank Index.

The NFO for the fund begins on 16th October 2020 and ends on 29th October 2020.
